LEARNER MENTORING POLICY

Erode Arts and Science College (Autonomous) aims to support learners in meeting their academic requirements. The Learner Mentoring Policy offers moral support to the learners for their academic enhancement, career advancement, promotion of entrepreneurial skills, and enhancement of the strength of learners. It applies to all mentor and mentees who are all a part of the various programmes offered by the college.

Objectives

To make learning more effective

To provide conducive environment that supports the learners to achieve their objective

To monitor the learners regularly and thereby reduce the risks of drop-out

Responsibilities of a Mentor:

- Each faculty mentor is allocated 20 mentees.
- Mentors guide the mentees to adapt to the new academic environment.
- The periodical interaction with the mentees helps to set the objectives for their academic enhancement.
- The mentors listen to the experiences shared by the mentees during the meeting
- All the information of a mentee and the mentoring report are kept confidential by the mentors.
- The regular mentor and mentee meeting builds a strong relationship and the mentors train the mentees for enhancement of their professional competence.

Responsibilities of a Mentee:

- Mentees shall obey to the instructions of the mentor.
- Mentees shall be regular and punctual.
