RESEARCH PROMOTION POLICY

The Erode Arts and Science College, Erode, has a well-defined and forward-looking policy for promoting research. The College committee has approved a policy on 'Research Promotion' to our faculty.

Objectives

- To foster a research culture in the college.
- To ensure integration of research outputs with the curricula through teaching-learning process, wherever applicable
- To incentivize in monetary terms for their research papers published by the faculty in internationally recognized and globally accepted top journals.
- To effectively disseminate the research outputs for greater visibility amongst all stakeholders.
- To encourage the faculty to undertake sponsored research and consultancy projects in order to strengthen the research profile of the Institute.
- To provide seed money by the management of the Institution to the members of faculty for promoting their research interest and apply thereby for the projects.
- To encourage the faculty to get national / international fellowship(s) for advanced studies/research.
- To set up a committee to identify the possible sources of getting Endowments and Grants from NGOs and from reliable source.
- To create a team of senior members for promoting creation of research innovations and knowledge transfer.
- To support the departments in creating dedicated Centres for Research and promoting research, entrepreneurship and skill development.
- To provide the faculty with monetary benefit for authoring a book / chapter in a book and thereby motivating their scripting and intellectual skills.

- To promote the members of faculty to take corporate training in their specialized fields and expand their research knowledge and presentation skills to their credit. These are very important for maintaining external linkages and also a source of revenue for the Institute.
- To encourage teachers and students to have collaboration with other colleges / Universities / Research Institutes / Training Institutes / Institutes of National Importance / Industries etc., for research / faculty, student exchange / internship / fellowships etc.,
- To constitute a Research Promotion Committee (RPC) that looks after all the above activities

Code of ethics

- The researchers pursuing research in the college are expected to maintain high standards of integrity, honesty and professionalism in respect of all the work undertaken by them.
- Research Ethics Committee (REC) has been constituted and Standard Operating Procedures (SOP) is adopted for monitoring research activities of the college.
- A Research Advisory Committee (RAC) has been constituted and Standard Operating Procedures (SOP) is adopted for solving the issues related to research activities of the college.
- Since the college is affiliated to Bharathiar University Coimbatore, the college follows the regulations of the University and UGC regarding plagiarism and malpractice in research.
- A Ph.D. / M.Phil. thesis submitted from the Institution is screened by Bharathiar University for plagiarism before it is accepted. Regarding paper publications, each student can avail the facility in the university to check for plagiarism.
- Research proposals will be scrutinized by the RAC before submission.
